I rinting Committee or in the House the resolution calling upon Pablic Frints. Benedic to explain why he was discharged ing employees while the work of the House was far he arrears was passed. This upon limity seems to foreshadow an investigation of the affairs of the Government Printing Office which Mr Benedict appears to I awa mi managed to the best of his ability since he was appointed. Both sides of the House recognize the fact that Congruesional action is being seriously crippled by the delay in securing bills and reports from milters. General Catcheon who is troduced the resolution of laquity explains the motive of it thus.

A veteran of the was can be only house Sunday alight and explained that he had just been discharged from the printing office, without any cause being assigned to hard been in rily brigade and I determined to look hoth is case. I found that some fifty others had also been discharged without cause being assigned. It seemed

plains the motive of it thus

A veteran of the war can o to my house
Sunday slight and explained that he had
jus been discharged from the printing
office, without any cause being assigned.
He had been in my brigade and I determleed to look into his case. I found that
some fifty others had also been discharged if
without cause being assigned. It seemed
quite remarkable, considering the fact that
mere; before to my recollection has the
House printing been so far behind. There
are some 1,100 bills unprinted and we
have as yet hardly had a single report
printed in time to be used when the bill
was under consideration. From the way
in which the resolution was reported; if
thought the Public Printer had seen the
committee and was ready with an explanation, possibly is in that the appropriation
is exhausted. And yet I cannot understand/how such an excuad can be made; because the Public Printer has more of sti
appropriation than his prosecesor and yet
work. It will bear explanation.
The resolution as passed not only asks

was under consideration. From the way amply in which the resolution was reported. It thought the Public Printer had seen the committee and was ready with an explanation as catastasted. And yet I cannot under appropriation is exhausted. And yet I cannot under appropriation than the supercord and appropriation than the prodecessor and yet because the Public Printer has more of any appropriation than the prodecessor and yet because the Public Printer has more of any thought the supercord of the principal reserve of a navy in time of wirk. It will bear explanation

The resolution as passed not only asks an explanation as to the discharges during the rush of work, but calls for information as to the discharges during the rush of work, but calls for information as to the discharges of the rush of work, but calls for information as to the discharges during the rush of work, but calls for information as to the discharges during the rush of work, but calls for information as to the discharges during the rush of work, but calls for information as to the discharges of the rush of work, but calls for information as to the discharges of the rush of work, but calls for information as to the discharges of the rush of work, but calls for information as to the discharges of the rush of work, but calls for information as to the discharges of the rush of work, but calls for information and provided the rush of work, but calls for information as to the discharges during the rush of the principal reserve of a navy in time of whit. England has practically destroyed the principal reserve of a navy in time of white. England has practically destroyed the principal reserve of a navy in time of white. England has practically destroyed the principal reserve of a navy in time of white. England has practically destroyed the principal reserve of a navy in time of white. England has practically destroyed the principal reserve of a navy in time of white. England has practically destroyed the listence of the principal reserve of a navy in time

the Caluis burth affair, says

tor publication should be addressed "Editor of the Calais bard affair, asys

FRIDAY, JANUARY 27, 1889.

The persisteery with which the Calais bard officials the counter, has been a frequent source office or programme, the free trade members of the Ways and Means Committee being sadly puzzled over the tariff question

The free trade Democrate are evidently trying to carry out their programme to send if Randall to the rear They are also endeavering to send the party to the rear and the prospects are that they will succeed—Allanta Constitution

Such paragraphs as the above are been ming alarmingly frequent to the calais bank and that the stationant of the calais bank and that the statement of the calais bank and that the calais bank and that the calais bank and that the statement of the calais bank and that the calais bank and that the statement of the calais bank and

A SIN NOT TO BE FORGIVEN. BY LIZZIE W. CHAMPH

to Hakey. "May it ask you to take your things to neighbor Brown's so that Lean urrangs your room for the young lady?"

"You's he replied, "If I can be of no assistance? It of the that he was intaided as a usless thing, and crushed and indignant he removed her effects. "I will see her in the morning," he said to limitel, "and make one more appeal for iny said," for new Orient was busy with this from the limitel, "and make one more appeal for iny said," for new Orient was busy with this from tailing with thin, goutly and patiently trying to level him back to the actual Bore of hears and utterly internale, he retired to this new room remaining the greater part of the nightlin framing or nearly and argument which might for making acrosses and argument which might worm asserting her right, it was late the following morning when he awake hind saw that a travelling wagon stood before the Steeles door, and that "this friend," was being helped into the human that it is friend, was being helped into the human that it is friend was being helped into the hind the remaining of the back seat. Orient was bidding farawell to Mins Stelle at the door of the house. He foined her, and taking the righ walled with her to the gate. He was only a kinget space, but it was the friend to their own board, anothing to drive all the way the carp stages.
"Delent-Miss, Tecopana," he were take to halk so fast, and, to be no one word. We have heard algreat deal lately about the bear and her and the respectively, the word tumbling over each other in their eager utternate. It had to be retrely, the word tumbling over reach other in their eager utternate. The got you het to halk so fast, and, to be in to one wind. We have heard algreat deal lately about the bear half of the past and the mary has infinitely for her years and the bear of full of hope and harplines." "Tather is spore fall of hope and harplines." "Tather is spore firmly made up his mind to thrive of the mask was soutching of a relief and heavyoke the heart morning with a hopeful feeling, and his keepid confidence that some why things would come out right.

As he was not to by aside his role during the morning, he determined to depen the good impression which he had made upon Orient, and to select the sermen which he was to group before that classify meeting solely with reference to her tastes. He heritated some time between "Budtha and his Philosophy of Despain," addiscurse of Dr. Nowman's, and "The Paralless of the Talmid," by the Riv. Charles Baten, but finally settled upon the first as more compilmentary to her intellight. He was dilittle disturbed to notice, on taking his pince in the pulpit, that Orient was not in the charl, the charless Miss Paurce occupying her place at the origan. All through the sermen he kept his eyes fixed upon the door, hoping to see her enter; but only he bedisappents. He have, too, from the strong store with which his heavens foodrouted him, that his auditnessed did not now a cony for Bull place the residual place at the cony in the properties of the place the residual place and the door, hoping to see

beet that? She looked up att him with eyes that wore full of hope and harpitres. Tather is sure that we will save thim, "she said, "to is enabled that when we get him back to my

as nothing.
They were just belief the Blac bush row, which shielded there from the view of the occupants of the curriage. "Of course I am glad to hear that there is hope formy triand," Halawy add, "but you cannot expect no to be in Hirrent; to my olve inderests. Is there no space of repentance? Buall you always deep onno, always think of no with diesta-tion?"

i returned, he would come room, would not the gentlement want! Halvey concluded that he would do so and was shown into it! doctor's study. A volume of permena by Herry World Beecher lay upon the deak, open to the very consent in a upon the deak, open to the very consent in a upon the deak, open to the very consent it as resemblance to Beecher is style wan to tentially required to the doctor had extended that its resemblance to Beecher's style wan be the large was explained, and had found this, and it was cross. know, too, from the streng stare with which his hearers confronted him, that his audience did not care a penny for Buddhalor the religion of India. Only Miss Pearce served in it the least districted, for she had just read "Mr Isanes," and had, beside, her rejidition as a philosopher at state. The business meeting was called immediately after the semion, and Halsey, leaving it to its deliberations as to his eligibility, hurried ever to the parsonness. He was informed by the sortant that Miss Corcoran had loft fown on the noon path. He was strick with sudden apprehension.

Houses for Rent-

Prof. lence, FOR SALE.

The servant believed that she did intend to do so, but had changed her mind. Hallow next asked after the doctor. He had driven his ricce ever to the station and had not yet returned, he would come room, would not the gentleman wait. Hallow conclude that he would do so and was shown into the doctor's study. A volume of permens by Helyr pivard Recchir lay upon the deak open to the very con which the had labridged, for his prayer mostlus talk. The doctor had exidently anted, Lost, Found, etc.
